Shelves adjustable
to three angles

Corrosion-resistant
construction
ensures longevity

3-shelves + base
maximises product
display area

Removable shelf
inserts for easy
cleaning

Sliding rear
door minimises
temperature loss

Toughened safety glass
creates a durable display
& service surface

High-impact LED lighting
on each shelf maximises
product visibility
& captures attention
(cold & ambient)

Adjustable shelving
for flexibility in
display configuration

Soft-cool refrigeration
maximises freshness

Stainless steel body
for improved quality &
durability

Castors make movement,
placement & cleaning easy

Invisible heat elements
& an internal air curtain
eliminates condensation

Bromic's Food Display range offers stylish, purpose built solutions for showcasing your fresh products. Choose from our Hot, Cold and Ambient units, with matching profiles providing a visual consistency for customers whilst beautifully displaying goods.

69. Cold Food Displays

Bromic's Cold Food Displays offer a stylish, purpose-built display solution for refrigerated delicacies such as cheese, cakes, and confectionary.

With heated glass on the front, top and sides to prevent condensation, it ensures visual clarity of your products on display. Three fully adjustable shelves and high impact LED internal lighting provide display flexibility and help maximise product visibility. Featuring an oversized evaporator coil and low-velocity fans for gentle circulation of high-humidity air, these units maintain moisture at low temperatures to ensure that products on display taste as good as they look.

71. Hot Food Displays

Bromic's Hot Food Displays offer a flexible and functional solution to display your hot delicacies. These units were designed specifically to provide perfect temperature control and when required, increased humidity to preserve food quality at its highest for prolonged periods of time. In addition, they feature three fully adjustable shelves, removable glass for easy cleaning, sliding self-closing rear door, and high-impact LED internal lighting for perfect product presentation.
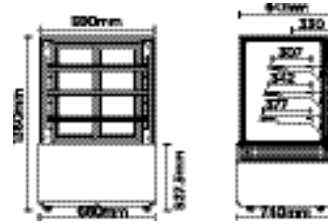

73. Ambient Food Displays

Bromic's Ambient Food Displays offer a perfect solution for displaying your baked goods such as pastries, cookies, cakes at ambient temperature.

With a beautiful stainless-steel finish, these purpose-built food displays offer a modern, sophisticated look that would compliment any hospitality environment. In addition, they feature three fully adjustable shelves with easily removable shelf inserts for cleaning, sliding self-closing rear door for easy access, and high-impact LED internal lighting for the immaculate presentation of your goods.
