Ceiling Mounted Warmers

Description:

Single warmer fixture available in nine distinctive shade styles to match any décor. All fixtures are constructed using the finest materials and components. Lamp body and switch holder are constructed from heavy gauge spun Aluminum. Standard finishes include Polished Chrome (PC), Stainless (SS), Brass (BR), Black (B), and Smoked Copper (SC). Specialty finishes include Bright Copper (BC) and custom powder coats. All finishes are non-tarnishing, require no polishing and are easy to clean. All internal components including lamp socket and wiring are high temperature rated (200°C). Each shade style is available with all mounting types*. All units can be track mounted and available with or without switch.

*Rigid mounts are suggested for 500 shades

Accessories (Must be ordered separately)

- 250 watt shatterproof lamp
- Halo track
- Halo track fittings

Standard Features:

- **Nine standard lamp shade models available.**
- **Six different mounting styles to choose from.**
- **Multiple switch options available.**
