

Birko Griddle Hot Plate

Heavy duty polished steel plate for commercial kitchens.

An all-purpose counter top griddle, ideal for sizzling steaks, burgers, eggs and much more. Exceptional quality and value.

Durable cooking surface – heavy duty, polished mild steel cooking surface – simply season and oil for years of performance.

Commercial quality – galvanised steel base and stainless steel construction (#304) with stylish brushed finish.

Practical – removable stainless steel crumb/drip tray for easy cleaning.

Safe – heat resistant ABS control dial, European thermostat and non-slip rubber feet.
