Sneeze Guards

A must for self service areas, sneeze guards help prevent food contamination without detracting from the aesthetics of any food displayed. Small sneeze guards are available to suit control panel side of square and curved food display bars and single row straight food display bars. Note: Sneeze guards cannot be fitted to the rear control side of these machines when roller doors are installed.

Larger sneeze guards to suit front panel of single row straight "E" series food display bars or either side of double row straight "E" series food display bars. They can be fitted on the angled face of "E" series machines with or without roller doors.

Tray Races

Suited to all "E", "C" & "S" series food display bars, tray races provide an ideal serving counter or food preparation area. Made from high quality stainless steel at a depth of 207 mm these units are supplied loose to be affixed on site at the desired height. Models TR14, 16, 22, 23, 24, 25 and 26.
