

RC12

## REGENT: CHILLED

This elegant serve-over cabinet is designed to provide maximum interaction between staff and customers. With its elegant glass top the Regent cabinet displays food at its finest. 4°C operating temperature.

REGENT

### SIDE VIEW

### STANDARD FEATURES

- › Minimalist cabinet framing system (less frame/more glass) that maximises the visibility of displayed food
- › More extensive display area than comparable cabinets
- › Four food display levels: three shelves plus base
- › Chrome wire shelving system that is height adjustable in 25mm increments and interchangeable between horizontal and tilted positions
- › High quality European refrigeration components
- › Designed to operate at 3 – 5°C in room environments up to **32°C**
- › Fan forced air flow for even temperature distribution
- › Refrigeration optimised to provide a high humidity environment that maintains food quality for longer
- › **DuraCoat** system providing a protective coating over the refrigeration coil to prevent food acid corrosion
- › Intelligent defrost system that minimises defrost time and maximises refrigeration operating time
- › **SureVap** self-evaporating system for condensate—no drain required
- › Condenser air vented through base
- › Framed glass top for top down viewing of displayed food
- › Top and side LED lighting
- › Rear sliding double-glazed doors on friction-free, low wear tracks (doors removable for cleaning)
- › Mounted on swivel and lockable castors allowing easy movement of cabinet

**For factory options and accessories refer to page 41**
