

DS220 S/Steel Indoor Electric Insect Killer

- Australian made superior quality**
- Exported throughout the world**

- Stainless Steel 'built to last' construction - We only use the best quality components
- 3 Year Warranty - Longest known Insect killer Warranty in the world (tubes & starters not incl.)
- Compared to many competitors our products have the most effective insect killing rates in the world
- Ideal for restaurants, medium size shops, kitchens, canteens & domestic living areas
- Fully compliant with all required Australian and European certified safety standards
- Our unique ultra violet "Black light" tubes are one of the most effective insect attracting tubes on the market. Many cheaper brands typically use inferior tubes that attract fewer insects
- Shatterproof globes also available —They give full protection against glass fragments falling into food
- No cheap inferior plastic parts that break down with ultra violet light or sunlight
- Packed in special export cartons with inner plastic sleeve to stop the "rubbing effect"
- 3 way mounting positions - Hanging, wall and bench
- Removable insect catching tray for easy cleaning

**Ideal for restaurants, medium/large size shops,
commercial & domestic kitchens, canteens
& all other food areas.**
